Gentlemen:

This is to advise that on April 22, 1982 the Cities Service Company's Government AD #1 - Morrow gas well located in Unit C of Section 21, Township 21S, Range 27E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter will remain on location, serving newly recompleted Wolfcamp zone, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion from Morrow to Wolfcamp zone.

Yours truly,
