Dear Mr. Bump:

We are returning the enclosed Form C-125 on the subject well for clarification and additional information.

The required pressures are PSIG (DWT) and PSIA and I am not sure what you are reporting.

Please clarify this for me.

Further, to date we have not received Form C-102 dedicating 160 acres to this well. (Please submit same.)

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
