Re: State "CS" SWD Well No. 1  
Eddy County, New Mexico

Dear Mr. Eng:

We are in receipt of your letter dated January 8, 1979, wherein you propose certain possible workover operations on the subject well in order to increase its receptivity to disposal.

The work appears feasible and this office has no objection to your proposal. You will, of course, have to obtain approval for the deepening and workover operations on Division Form C-101, from our Artesia District office.

Very truly yours,

JOE D. RAMEY  
Director
