Re: State CS #1

Eddy County, NM

Gentlemen:

As of this date this office has not received a C-104 showing a change of ownership, or an approved plugging bond for Rittenhouse Oil & Gas Company on the subject well, therefore our records show this well still belongs to The Permian Corporation.

Our records show you have not injected into this well for a continuous six month period, therefore the authority to inject into this is automatically terminated.

If you have any questions concerning this matter please contact me at this office.

Sincerely yours,

A handwritten signature in cursive script that reads "Mike Williams".

Mike Williams
Oil & Gas Inspector
