Gentlemen:

This is to advise that on October 23, 1982 the Cities Service Company's ✓
Ives A Com. #1- Morrow gas well located in Unit J of Section 30, Township
21-S, Range 27-E, Eddy County, New Mexico was disconnected from El Paso's
gathering system. This meter is blind plated and will remain on location
temporarily, but inoperative, until permanent status of the measuring arrangement
is determined.

This disconnection was due to advise from the operator that the well will
be plugged and abandoned. *(Meter #61-663-01, Site Code #21438-01)

Yours truly,
