Dear Ms. Jones:

This letter confirms our telephone conversation of this date
in which I informed you that the Application for Permit to Drill
which was approved by the Artesia Office of the Commission on
June 17, 1975, on the above-captioned well, is null and void since
you failed to comply with the provisions of Oil Conservation Commission
Rule 102(b).

Very truly yours,

JOE D. RAMEY
