Gentlemen:

We hereby acknowledge receipt of Form C-105 Completion Report and Log with attachments on the subject well.

Said Form C-105 shows perms in the Upper Penn and the Morrow are all open to the well bore with no means of separation. Therefore, no allowable will be assigned until the zones are separated in the well bore or the downhole commingling has been approved by Santa Fe after notice and hearing.

Further, if a 4 point test has been run, please submit same.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
