C. C. C.
ARTESIA, OFFICE

Dear Mr. Gressett:

Enclosed are New Mexico Oil Conservation Commission Forms C-103, C-104 and C-105 relating to the completion of Cities Service Oil Company's State CT Com. #1, located in Section 16, T-20S, R-28E, Eddy County, New Mexico. These will replace those filed with your office on May 28, 1976. As discussed with you the attached completion forms report production from casing perforation 9499'-9509', where as those filed on May 28, 1976 concerned production from casing perforations 9825'-9864' as well as casing perforations 9499'-9509'.

We are also enclosing a wellbore diagram of this hole. The deviation survey was also filed with your office on May 28, 1976.

If you desire additional information regarding this completion please advise.

Yours very truly,

E. Y. Wilder
Region Operation Manager
E & P Division
Southwest Region
