State "CT" Well No. 1
Eddy County, New Mexico

Gentlemen:

We would like to inform you that our State "CT" Well No. 1, located in Unit I of Section 16, T-20-S, R-28-E, Eddy County, New Mexico is unable to buck the line pressure of Natural Gas Pipeline Company of America and presently is shut in.

This well will be returned to active status as soon as Natural Gas Pipeline Company of America lowers their line pressure or installs a compressor to aid this well.

Very truly yours,
