Gentlemen:

This is to advise that on May 11, 1984, the Gulf Oil Corporation, Eddy FV State Com #1 (Morrow) gas well located in Unit H of Section 25, Township 20, Range 27, Eddy County, New Mexico, was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to the well being recompleted to the Atoka pay zone.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
