Re: Application to Drill  
Sec 7, T-20S, R-27E  
Eddy County, New Mexico

Dear Bill;

An application to drill the above location was sent to your office last week with incorrect gas dedication information. The application specified that the acreage was not dedicated. In fact the N/2 of section 7 is dedicated to a long term interstate contract covering the Atoka and Morrow formations.

I apologize for this error and trust this letter will correct the deficiency of our application.

Very truly yours,

  
George M. Yates
