Gentlemen:

This is to advise that on October 11, 1983 the Gulf Oil Company, Eddy FT State #1 gas well located in Unit K of Section 26, Township 20-South, Range 27 East Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to well being recompleted from the Atoka to the Morrow zone.

Yours truly,

Robert Patterson
Production Coordinator
