Gentlemen:

We are returning the enclosed Forms C-101 and C-102 on the subject well for corrections and additional information.

On Form C-101, you show the approximate date work will start as 6-1-76 and you did not state if the acreage is or is not dedicated to a gas purchaser.

On Form C-102, you show only 200 acres dedicated and you did not sign said Form C-102.

Further, according to our records, Commission Order R-5193 dated 4-20-76, Force Pooling this acreage expired on July 15, 1976. Therefore, this order must be re-instated or another hearing held to force pool this acreage.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
