Dual Strawn-Morrow Completion
Monsanto Company
Cerf Federal Com. #2
Sec. 10, T-21S, R-27E
Eddy County, New Mexico

Dear Sir:

Monsanto Company respectfully requests administrative approval to dually gas-gas complete the referenced well through dual tubing strings in 7" casing.

Enclosed are copies of:

1. C-107
2. Diagrammatic Sketch
3. Plat showing offset operators
4. Logs - Mailed to NMOCC Artesia 10/6/76

Copies of the application are being mailed to offset operators.

Exception to Rule 107 (d) (3) is also requested. Additional higher perforations may be required in the Morrow, necessitating the Morrow completion shown on the diagrammatic sketch.

Please advise if additional information is required.

Yours very truly,

E. M. Scholl
Regional Production Manager
