Gentlemen:

We hereby acknowledge receipt of Form C-101 and C-102, application to plug the subject well back and attempt a completion in the wolfcamp.

If the well is completed as a wolfcamp gas well, the spacing will be 320 acres, not the 160 as you have shown, unless at your hearing you are requesting a non-standard unit. Also, you did not show that the gas is or is not dedicated.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor, District II
