

Application for Permit to Drill Tracy "E" No. 1

Page No. 3

September 1, 1976

Also, prior to drilling out under the 10-3/4", the BOP's and related control equipment will be pressure tested to rated working pressure by Yellow Jacket Tools and Services, Inc.

We realize that no action will be taken on this request until after the hearing on September 29, 1976. Following that hearing, if a favorable order is issued, we respectfully request approval of this Application for Permit to Drill.

Please contact me at the above address if further information is needed.

Yours very truly,
