ARTESIA, OFFICE

Dear Mr. Gressett:

I represent the surface owners upon which the above well is located.

It appears that the well has been shut in and my owners now desire to develop this land. There needs to be considerable work in cleaning up the location. The location of the well is upon some of the most valuable land in Carlsbad, known as the La Huerta area.

Would you please let me know the status of this location and what instruments have been filed with your office. I have also sent a copy of this letter to Cities Service Company, with the request that if they are through, that the land should be restored to its original condition.

Very truly yours,

  
Jay W. Forbes
