Gentlemen:

This is to advise that on August 5, 1985 the TXO Production Company, Fed E #1 gas well located in Unit F of Section 4, Township 22, Range 26, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to recompleting from the Morrow to the Happy Valley Atoka zone.

Yours truly,

Robert Patterson
Production Coordinator
