Eddy County, N.M.

Dear Bill,

With reference to our telephone conversation of last week pertaining to our application to drill the caption well, enclosed please find an amended application to drill which includes a revised casing program. In addition, we are enclosing a list of leases that we have made covering the 336 acres that are being allocated the the drilling unit. For your reference, we are attaching a copy of the sub-division plat which covers the above mentioned acreage.

In the event something further is needed prior to your approval of this application, please call me collect at the above listed number.

Yours very truly,
C & K Petroleum, Inc.
