

December 14, 1976

- D. Ponds and Streams: None in immediate area. The Pecos River runs in a southeasterly direction about 13 miles south of our location at the nearest point.
- E. Residences and Other Structures: The closest and only nearby residence is the ranch house and headquarters of the Angell Ranch. It is approximately 1/2 mile west of the Government "AB" No. 4 location.
- F. Archeological, Historical and Cultural Sites: None observed in the area. We have engaged the services of the Agency of Conservation Archeology in Portales, New Mexico to make a survey of the well pad and access road. Their findings will be reported to you.
- G. Land Use: Grazing.
- H. Surface Ownership: All of Section 9-20S-28E is Federal surface in the Angell Ranch.

The north half of Section 16-20S-28E is State surface in the Angell Ranch.

The administrator of the Angell Ranch is:

Mrs. Edward C. Slease  
P. O. Box 283  
Carlsbad, New Mexico 88220

Telephone No.: (505) 885-5337

12. Lessee's or Operators Representative.

Cities Service Oil Company's representative who is responsible for assuring compliance with the approved surface use and operations' plan is:

E. Y. Wilder  
Cities Service Oil Company  
Region Operations Manager  
Box 1919  
Midland, Texas 79701

Telephone No.: (915) 684-7131
