Application for Permit to Drill Government "AD" No. 1

February 1, 1977

Page No. 9

- D. Ponds and Streams: The Pecos River runs in a southeasterly direction about 2-1/2 miles south of our location at the nearest point.
- E. Residences and Other Structures: The closest and only nearby residence is the trailer house of J. W. Laman approximately 2-1/2 miles west.
- F. Archeological, Historical and Cultural Sites: None observed in the area. We have engaged the services of the Agency of Conservation Archeology in Portales, New Mexico to make a survey of the well pad and access road. Their findings will be reported to you.
- G. Land Use: Grazing.
- H. Surface Ownership: All of Section 27-21S-27E is Federal surface and minerals.

12. Lessee's or Operator's Representative.

Cities Service Oil Company's representative who is responsible for assuring compliance with the approved surface use and operation's plan is:
