(Note: Report results of multiple completion on Well
Completion or Recompletion Report and Log form.)17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any
proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones perti-
nent to this work.)

Approval to drill this well was granted initially March 24, 1977, and expired June 24, 1977. Reinstatement of this approval was granted 9/23/77. New Mexico Oil Conservation Commission approved the unorthodox location on November 1, 1977, case No. 6073, order No. R-5563. Cities Service Company requests the reinstatement of the approval to drill this well. The drilling program and location features will be the same as set out on the original application.
