Dual Completion

Gentlemen:

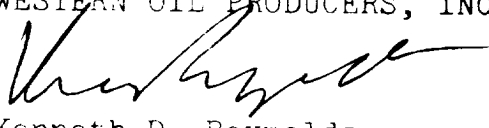

Attached are location plats and completion forms for our Hunker Com No. 1. We have completed this well in the Wolfcamp and upper Morrow, and we plan on producing the Wolfcamp through the casing and the Morrow through the tubing.

If you concur with this, please sign one copy and return to us as soon as possible as we plan on putting this on the line approximately July 1, 1977.

Should you have any further questions, please contact us immediately.

Yours truly,

WESTERN OIL PRODUCERS, INC.
