17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Our permit to drill the Potts Federal No. 1, expires on October 6, 1977. Due to the shortage of required size of drilling rigs, Gulf will not be able to start operations by the expirations date; therefore, we request a 90-day extension of permit to drill.
