Re: **WELL ASSIGNED INCORRECT POOL CODE**

To Whom It May Concern,

On January 20, 1995 I mailed to your address and the other parties involved, a letter stating the following:

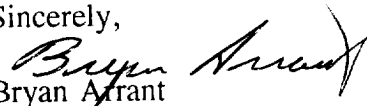

As the result of Division Order R-10187 the following described well has been placed in the pool shown below. This change in nomenclature has been made in our files. Please change your records to reflect the proper pool name. All Subsequent reports must show this nomenclature until further notice.

Burton Flat-Bone Spring Assoc. Pool
Keystone Well No. 1
Unit G, Section 32, Township 20 South, Range 28 East, NMPM
Poolcode: 96335

The correct pool code should read: **Poolcode: 96241**

I apologize if I have caused any inconvenience concerning this matter.

Sincerely,

Bryan Arrant
District Geologist

Transporters are being notified by the revised copy of this letter, to update their records with the correct pool code.
