Note: Report results of multiple completion on Well status.
Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

As this well is properly cased and cemented and is creating no environmental problems, we respectfully request an extension of the "temporary abandoned status."

BEPCO is still evaluating the potential of this well bore for another Delaware completion attempt or as a possible water disposal site.
