

This form is to be filled with the appropriate District Office of the Commission not later than 30 days after the completion of the well. It shall be accompanied by one copy of all electrical and log data on the well and a summary of all special tests conducted, including drill stem tests. All data reported shall be measured by the true vertical depth of the well. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where six copies are required. See Rule 1105.
