Re: GOR Test

Wildcat Strawn

Gentlemen:

I received a phone call from someone in your office about the above mentioned GOR Test on the above captioned well.

I was informed that that well was in the Parkway Strawn Pool. According to our records, and the GOR Schedule, this well is not in the Parkway Strawn Pool, but the Wildcat Strawn.

Therefore, we must have a GOR Test on the above captioned well. The last one in our files was received August 11, 1980.

Please send the above mentioned GOR Test within the next 30 days to avoid cancellation of your allowable.

Very truly yours,

Leslie A. Clements
