OIL CONSERVATION COMMISSION

APPROVED JUL 25 1980
BY Mike Williams
TITLE OIL AND GAS INSPECTOR

This form is to be filed in compliance with RULE 1104.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowable on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of owner, well name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.

1. Outline the acreage designated to the subject well by dated plat or fixture on the plat below.

2. If more than one lease is involved in the well location, each shall verify the lease interest, both as to working interest and royalty.

3. If more than one lease is involved, each shall indicate to the well location whether the lease has been conveyed by a unitization or pooling agreement, and if so, the date of the unitization or pooling agreement.

☒ Yes ☐ No Answer is "Yes" if unitization or pooling agreement.

Unitization

If answer is "No" list the owners of the leasehold interests in the well location and the acreage of each leasehold interest on the reverse side of this form if necessary.

No acreage can be assigned to the well location unless the leasehold interests have been unitized or pooled. Unitization or pooling is required for forced pooling, or otherwise, or until a well location is determined to be in the best interest of the formation.

CERTIFICATION

I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief.
