Re: Multipoint Back Pressure Test
Federal 34 No. 1
Unit Letter G, 34-T22S-R26E
S. Carlsbad - Morrow Pool

Gentlemen:

We received your request for the above test. However, after obtaining a pipeline connection, the well would not flow.

As soon as production is restored, we will "Four Point" the well and submit it to you.

Very truly yours,

A handwritten signature in cursive script, appearing to read 'Dale R. Crockett'.
