RE: Corinne Well #1
W/2 Section 25, T21S, R26E
Eddy County, New Mexico

Dear Mr. Gressett:

With reference to our telephone conversation of this date, I am attaching a copy of the Well Location and Acreage Dedication Plat for this well which shows the acreage for each individual or company in this 320 acre 1/2 section.

At this time Michael and Corinne have leases on only 193.5 acres and these leases carry a 3/16 over-riding royalty to the mineral owners. The pooling clause of the State Game Commission of the State of New Mexico and the Riverside Country Club leases will and has been utilized, and the balance of the acreage will be force pooled. Our attorney will file the force pooling order as soon as we have all the information from the abstract company.

I am sorry that I have been so disorganized on this.

Sincerely yours,

Jugnita Jones Wildberger
