Eddy County, NM

Dear Mr. Trigg:

We hereby acknowledge receipt of a copy of Form 9-330 and an attachment reporting a completion and showing a lease name and well number change on the subject well.

This office has no objection to changing said well to the Federal TY#4; however, prior to assigning an allowable, you must submit Form C-104, Request For Allowable and Authorization To Transport Oil and Natural Gas, with all of the completion information thereon.

If you have any questions concerning this matter, feel free to call upon me.

Sincerely,

W. A. Gressett
Supervisor, District II
