Mr. Burnett:

A Form C-101 was submitted under date 2/13/81. This report is incorrect in that the location directions are backward. Am submitting new forms.

A Form 9-331C was submitted under date 2/19/81. This shouldn't have been sent and is incorrect as to "Operator" and shows API number in Item 5.

Am submitting new forms C-101 along with Form C-102 (Plots) and Form C-103.

I believe all other forms (C-105, C-102 & C-104) to be correct as submitted.

Call collect if necessary.

Thanks for your time
& patience.
