Perry R. Bass hereby submits application for a salt water disposal line from the subject well to Big Eddy Unit #64. A 2" plastic line will be laid above ground between the two wells and tied into the existing SWD line at Big Eddy Unit #64. The proposed SWD line will be approx. 14,360' long. All this water will be disposed of into an existing SWD well Big Eddy Unit #56 (See attached Exhibit "A"). The location of Big Eddy Unit #65 is on Fee land. We have cleared the 600' due north through the surface owners (Pardue Farms, Carlsbad, New Mexico, 505-887-9525).

If there are any questions please advise.

18. I hereby certify that the foregoing is true and correct
