Gentlemen:

This is to advise that on July 15, 1982 the HNG Oil Company's Golden Lane 36 Federal #1 gas well located in Unit J of Section 36, Township 20S, Range 29E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being plugged and abandoned.
(Meter Code No. 58-191-01).

Yours truly,
