13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Yates Petroleum Corporation respectfully requests approval to flare gas to pit for an indefinite time.

It is approximately 5.2 miles to the nearest Yates Petroleum Corporation gas pipeline where tie-in is to be made. Cost of construction is approximately \$100,000. Will only need to flare gas until tie-in is made.
