#72-R-3-21-28  
Eddy County, NM

Gentlemen:

We hereby acknowledge receipt of a Notice of Gas Connection to the subject well from Natural Gas Pipeline Co. of America.

However, to date this office has no record of an application to dual complete this well. Therefore, if the well is producing from the Atoka Zone, it should be shut-in immediately and remain shut-in till all of the necessary reports have been submitted.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely,

W. A. Gressett  
Supervisor, District II
