Gentlemen:

This is to advise that on January 5, 1983 the Petroleum Development Corp.'s Arroyo Fed. #2 - Morrow gas well located in Unit C of Section 24, Township 21S, Range 22E, Eddy County, New Mexico was temporarily disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator that this well is to be plugged and abandoned. Meter #58-291-01, Site Code #29273-01.

Yours truly,
