Administrative Order NSL-1035

Gentlemen:

Reference is made to your application for a non-standard location for your New Mexico "CW" State Com Well No. 1 located 1580 feet from the South line and 660 feet from the East line of Section 16, Township 21 South, Range 27 East, NMPM, Burton Flat Morrow Gas Pool, Eddy County, New Mexico.

As all waivers from offset operators are in, the waiting period can be dispensed with.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,

JOE D. RAMEY,
Director
