Gentlemen:

The Notice of Intention to Abandon (form 9-331) for the above well has been received, and your proposed down-hole plugging program is hereby approved subject to the following conditions:

IF THE 7" CASING IS CUT HIGHER THAN
7000' A 150' STUB PLUG WILL BE
REQUIRED ACROSS THE 7" STUB (75'/75')

Please notify this office in sufficient time so that a representative may witness the plugging of the well.

A notice of your abandonment proposal has been furnished to the Surface Management Agency and, as soon as surface restoration requirements are received, your approved copy of the Notice of Intention to Abandon will be forwarded to you.

Sincerely yours,

Roger A. Chapman
