Gentlemen:

We are returning the enclosed Form C-129 on the subject well for correction.

Please check the volume of gas to be flared and report it correctly.

Also, we are not receiving Form C-115, Operator's Monthly Report, which is to be submitted each month. In order to bring our files up to date, we need copies of this report for January thru August, 1980.

If you have any questions concerning this matter, feel free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
