Gentlemen:

This is to advise that on March 15, 1982 the Maralo, Inc's Indian Basin Com. #1 gas well located in Unit K of Section 2, Township 21S, Range 22E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to insufficient wellhead pressure to produce into El Paso's gathering system. (58-289-01)
