U.S. GEOLOGICAL SURVEY  
ARTESIA, NEW MEXICO

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Well was drilled to 5595', cased w/9 5/8" casing and temporarily abandoned.

Your approval is requested to extend the period of temporary abandonment for an additional six (6) months to June 25, 1981.

Our tentative plans are to drill a new well in the nearby area to offset a currently drilling well. If this new well is successful, we will re-enter the captioned well for a Morrow test.
