Sec 8, T-21S, R-27E
Eddy County, New Mexico

Dear Mr. Sexton:

H. L. Brown, Jr. is requesting that a new pool be created for the recently completed Federal 8 No. 1. The subject well is currently producing from the Delaware Cherry Canyon and is outside the boundry of any existing pool producing from this same formation.

Attached is a completed form C-123 requesting a new pool, and a plat indicating the 160 acres we are designating as the new pool boundry.

If additional information is required, please contact the undersigned at the phone number or address shown on the letterhead.

Very truly yours,

H. L. BROWN, JR.
