Gentlemen,

A recent P & A location inspection of the State #1 Ut.M 2-21-28 showed the footage on the well sign to be in error.

The sign reads 3300 FNL. It should be corrected to read 3300 FSL. Please notify this office when correction has been made in order that the C-103 P & A report may be approved.

Thank you for your attention to this matter.

Sincerely,

Betty Rollins
