Re: Durham, Inc. ✓
Stinking Draw Fed. #1
1980' FNL & 660' FWL
Sec. 13, T-21-S, R-22-E
Eddy County, New Mexico

Gentlemen:

We wish to amend our proposed drilling program on the
above mentioned well.

As previously reported we were going to drill an 11 inch
hole from 650'-2000'. We now request a change to a 12-1/4"
hole. This will aid in the circulation of cement to sur-
face.

Sincerely,

DURHAM, INC.

Peter C. Michelson
