

INSTRUCTIONS

This form is to be filled with the appropriate data by the Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by a summary of all electrical and radioactivity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, zones 20 through 34 shall be reported for each zone. The form is to be filled in quadruplicate except on state land, where six copies are required. Use Code 1105.
