Gentlemen:

This is to advise that on June 30, 1985 the Southland Royalty Citgo Fed Com 5-#1 gas well located in Unit B of Section 5, Township 20, Range 28 Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to dead well.

Yours truly,

  
Bill G. Lane  
Production Manager
