Re: Lancaster Spring Unit  
Eddy County, New Mexico

*Sheri,  
how are we set up, "Com" or "Unit"?  
Please pass on to Howard or  
file the C-104. JRP 5-23-95*

Gentlemen:

The captioned Unit Agreement was approved by this office effective August 12, 1980.

Please change your well name on all well records pertaining to the captioned unit by dropping the word "Com" and using the word "Unit". These two wells are unit wells. A communitization agreement was never filed nor approved by this office. You may make the change by filing Form C-104 with this office and the New Mexico Oil Conservation Division.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

RAY POWELL, M.S., D.V.M.
