Gentlemen:

We hereby acknowledge receipt of Form 9-331 C, Application For Permit to Drill the subject well.

However this well is located on State Land and Form C-101 must be submitted. Also, I would recommend that you set 13 3/8" surface in order to drill a 12 1/4" hole for the intermediate casing.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "W. A. Gressett".
